Defendants.)	
)	

The Plaintiff brought this *pro se* civil action against the Defendants, seeking damages under 42 U.S.C. § 1983. This matter is now before the undersigned for review of the Report and Recommendation (“the Report”) filed August 21, 2006 by United States Magistrate Judge Robert Carr, to whom this case had previously been assigned pursuant to 28 U.S.C. § 636(b) and Local Rule 73.02(B)(2) (D.S.C.). In his Report, Magistrate Judge Carr recommends that the Plaintiff’s complaint be dismissed without prejudice and without issuance and service of process. The Plaintiff has not objected to the Report.

This Court is charged with conducting a de novo review of any portion of the Magistrate Judge’s Report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636. In the absence of objections to the Report and Recommendation of the Magistrate Judge, this Court is not required to give any explanation for adopting the recommendation. See Camby v. Davis, 718 F.2d 198, 199 (4th

Cir. 1983).

In light of this standard, the Court has carefully reviewed the Report and has concluded that the Report accurately summarizes this case and the applicable law. For the reasons articulated by the Magistrate Judge, it is hereby **ORDERED** that the Magistrate Judge's Report is **ACCEPTED** (Doc. # 5), and Plaintiff's complaint is dismissed without prejudice for failure to state a claim upon which relief may be granted.

IT IS SO ORDERED.

S/ Terry L. Wooten
